The pools may close unexpectedly due to weather.

On days with inclement weather, the YMCA will attempt to keep the outdoor pools open as long as possible but will make a closing call based on how long a storm is predicted to last. This decision will be posted on our Facebook page and posted at our Front Desk as soon as it is made. Our policy for thunder and lightning is in place to maintain the safety and wellbeing of all swimmers and staff, as water is an electricity conductor. Please see reverse side of schedule for more on our weather policies and Pool Rules.

Safe Pools Have Rules!

- **All members using the pool should exemplify the YMCA's 4 Core Values of caring, honesty, respect and responsibility.**
- **Follow all lifeguard directions.** They are responsible for the safety of all swimmers.
- **Children under the age of 12** must have a parent present on pool deck.
- **Any child wearing a flotation device** must have a parent in the water with them.
- **Eating and drinking** should be kept to the tables. All food items should be cleared immediately after consumption.
- **No glass allowed** in the pool area! No exceptions.
- **Water Guns are not allowed.** Any toy with resemblance to a gun is prohibited. Water Sticks are allowed and polite play is expected
- Children who are not potty-trained **are required to wear a swim diaper when in the water.** This is an absolute **must** for the health and safety of all swimmers.
- **Keep it fun.** Horseplay or other unsafe behavior is prohibited and will be address by Aquatics staff when seen.
- **Prolonged submersion and breath holding are prohibited.**
- **No diving in shallow end.**
- **Only YMCA bubbles and Coast Guard approved flotation devices are allowed. No large inflatable devices, such as inner tubes, rafts, etc.** Swim bubbles and lifejackets are available in the pool.
- **Proper swim attire must be worn.** No cut-offs or t-shirts are allowed in the water for health & safety reasons.
- People with **open wounds, rashes or sores** are not allowed to swim until they have healed.
- No smoking, no alcohol, no fireworks, and no animals permitted at any time.
- **Photography is prohibited in all YMCA locker rooms.**

Weather Policies and Reminders:

Both of our outdoor pools are *sun-heated*. On overcast days and days with little sun, the pool may be a bit chillier than sunny days.

When prolonged storms and rain are predicted, the outdoor pools may close. The outdoor pools cannot open if lifeguards cannot see to the bottom of the pool – this is for the health and safety of all swimmers.

In cases of *thunder and lightning*, all of our pools (*indoor and outdoor*) must close for member and staff safety. Pools will remain closed as long as thunder and lightning are within 10 miles of YMCA grounds and will reopen 30 minutes after the last reported strike within range.
