

FAMILY PASSPORT

 SUMMER CHALLENGE

Spend 30-minutes each day being active as a family. We've put together a list of fun ideas in the focus areas of **getting active, spending time together, being a part of something big, and forming healthy habits**. Remember, parents are role models for children, so if you're having fun and making healthy living important, the kids will follow.

Tips to get started

- This challenge is voluntary. Don't be surprised if their interest is peaked after they see that it can actually be fun.
- Everyone should get to contribute to what fitness activities are incorporated. Take a vote or take turns choosing activities.
- Keep it positive and never allow anyone to poke fun of someone's efforts.
- Create a log of family list.
- Don't forget that exercise and clean eating go hand-in-hand.
- Some challenges ask you to share on Facebook or Instagram. If you don't have an account or don't feel comfortable posting, you still get the points.

These are suggestions to make the next 21 days -- and beyond -- a BIG success.

Mark-off 30 points (out of a possible 40) and submit to the welcome desk to be entered into your Y's prize drawing and the national Strong Life grand prize.
